

TEKDIS LED Solutions 2021

WHAT WE DO

Tekdis specialises in Industrial Computing, Display and System Integration. Based in Adelaide, with warehouse facilities in Melbourne, offices in Sydney, USA, UK and Taiwan, we offer a range of solutions for LED applications.

Our goal is to provide the best solution to customers by understanding their requirements and offering high quality technical support, professional selling procedures and reliable installation services.

Below is our current range of standard wall LED products.

CERTIFICATIONS AND TESTING

Tekdis takes great pride in its products. This is why we make sure our premium series products come fully compliant and tested to allow for the greatest lifespan and durability for our patrons.
